Leonardo L. Ganas Jr.

Full-Stack .NET Software Developer

Malaybalay City, Bukidnon, Philippines | +63 916 145 2948 | leoganas.jr@gmail.com | leoganas.com

PROFESSIONAL SUMMARY

Full-stack .NET Software Developer with 5+ years of experience building scalable web and mobile applications using modern Microsoft technologies. Specialized in .NET Blazor (WebAssembly & Hybrid MAUI), ASP.NET MVC, and RESTful API development. Proven ability to translate UI/UX designs into responsive, high-performance applications and deliver maintainable, reusable code. Strong problem-solving skills with hands-on experience in database design, front-end integration, and cloud-based CI/CD pipelines.
